Allowable Subject Matter

1. Claim 1-97 allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: Although the prior art discloses power control with respect to transfer of data as associated in a wireless environment they fail to teach or suggest adjusting a power level of a link at a first data transfer rate to a second power level for a second transfer rate, adjusting a second power level by an active link adjustment, whereby the link belongs to a set of links, to provide an acceptable signal strength for the links in the set of links, and modifying second power level by a FEC value, select notifying user of either insufficient power, terminating data transmission and retrying the data transmission at a lower transfer rate and transmitting the data as the requested transfer rate if the first power level exceeds the available power level.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Prenell P. Jones whose telephone number is 571-272-3180. The examiner can normally be reached on 9:00-5:30.
